

## PIDG Project Monitoring Indicators

*PIDG Facility Name:*

*Name of Project:*

*Date Form Completed:*

*Amount (US\$m) & Year:*

*Country:*

*Sector:*

*Summary Project Description:*

*Current Project Status:*

No.	Indicator	PSI Commitment (US\$m)	Additional Information	
1)	Total Project Investment			
1a)	Domestic PSI			
1b)	Foreign PSI/FDI			
1c)	DFI Equity			
<b>2a)</b>	<b>No. Of People Served</b>	<b>Predicted Nos.</b>	<b>Additional Information</b>	
i)	No. Of Additional People Served			
ii)	No. Below Poverty Line			
<b>2b)</b>	<b>Improved Service Level</b>	<b>Predicted Nos.</b>	<b>Additional Information</b>	
i)	No. With Improved Quality of Service			
ii)	No. Below Poverty Line			
<b>3)</b>	<b>Fiscal Impact (to be completed by DevCo only)</b>	<b>Predicted (US\$m)</b>	<b>Actual (US\$m)</b>	<b>Notes</b>
3a)	Up-front Fees to Government			
3b)	Subsidies Avoided (by Government)			
<b>4)</b>	<b>Employment Effects</b>	<b>Predicted Nos.</b>	<b>Additional Information</b>	
4a)	Short Term Effects – During Construction			
4b)	Long Term Effects – During Operations			
<b>5)</b>	<b>Developmental Impacts</b>			
5a)	Overall Size of Impact on Sector/National Economy			
5b)	Additionality Impacts Specific project specific findings linked to the questions below (as applicable): <i>Money additionality:</i> does the PPP element make an investment happen that would not have happened anyway?; <i>Design and efficiency additionality:</i> does the private sector involvement bring changes to design and/or improvements in efficiency; and <i>Policy additionality:</i> does PIDG			

A sample of these projects will be selected for evaluation during the Mid-Term Reviews

	participation contribute to improvements in the regulatory environment, both for specific investments and at the country level.		
5c)	Demonstration Effect Capital mobilisation through greater Private Participation in Infrastructure (PPI) either in a country, sector or region; and/or Improved attitudes and greater willingness to invest of the private sector in emerging markets.		
5d)	Any Other Developmental Impacts		
6)	<b>Any Specific Support/Developmental Interventions Supported by TAF</b>		
7)	<b>Any Subsidies Associated with this Project</b>		
8)	<b>Other PIDG Facilities Involved</b>		
9)	<b>Alignment with National Development Plans</b>		
10)	<b>Improve the Enabling Environment</b>	National IFC 'doing business' index for the protection of investors	No need to complete; the PIDG PMU database will automatically complete indicators 10-12
		National IFC 'doing business' ranking for enforcing contracts	
11)	<b>Improve Government Capacity</b>	National Country Performance Rating	No need to complete; the PIDG PMU database will automatically complete indicators 10-12
12)	<b>Poverty Focus</b>	Specify Country Category from DAC List of ODA Eligible Countries	No need to complete; the PIDG PMU database will automatically complete indicators 10-12

A sample of these projects will be selected for evaluation during the Mid-Term Reviews
