Nature Enhancement Feasibility Study for Rooftop Solar Project in Sri Lanka

The Client, InfraCo Asia Investments Pte. Ltd., a facility of the Private Infrastructure Development Group (“PIDG”), is currently considering an investment in a rooftop solar project in Sri Lanka.

The firm will conduct a feasibility study of nature enhancements associated with the project.

Proposals may be provided by a firm solely or in association with a partner firm that will provide part of the proposed services.

Interested firms should contact the Client’s person-in-charge of this Request for Proposal to conduct a confidential conflict check with respect to the project and to obtain more information on the Request for Proposal.

The selection of the nature enhancement advisor will be in accordance with PIDG’s prevailing procurement policies and procedures, including those set out under the section Key Documents > Operating Policies and Procedures on <https://pidg.org/key-documents/>. The deadline for the submission of proposals is **21 July 2025, 18:00 SGT (GMT +8)**.

For more information or for further queries, interested firms should approach Mr. Edmund Goh, Investment Analyst via email to edmund.goh@pidg.org, with cristina.traini@pidg.org, bhadra.menon@pidg.org, wenxuan.chai@pidg.org and son.le@pidg.org in copy.

All requests for pre-bid clarifications must be submitted by **14 July 2025, 18:00 SGT (GMT +8)**.
