

# Provision of Services for *Technical & HSES Due Diligence for Battery Recycling Facilities in India* and Qualification Questionnaire

**Issue Date:** 5 February 2026

**Client Description:** The Client, [InfraCo Asia Business Development Pte. Ltd.](#), a part of the Private Infrastructure Development Group ("PIDG"), is currently considering an investment in lithium-ion battery recycling company with operations based in India ("Company").

**Brief Project Description:** The Company is developing battery recycling facilities which extract critical minerals from used battery feedstock through a patented recycling approach (ball milling hydro-metallurgical recycling process). This process extracts critical minerals in salt and metallic form and improves yield extraction for superior unit economics of battery recycling.

**Brief Scope:** The Client is looking to employ a consultant to conduct a **Technical and HSES Due Diligence** on the Company, its technology, operations and pipeline.

**Timeline:**

- Deadline for Bid Clarifications: 20 February 2026
- Deadline for Bid Submission: 27 February 2026, 1800 Hrs, Singapore time

**EOI/NDA Submission:**

- To receive the complete RFP documents, interested firms are to
  1. Complete and return this EOI
  2. Complete NDA template details, and confirm acceptance of terms OR any requested changes to the NDA template
  3. Provide 1 x bidder's signatory and email below (for NDA signing through DocuSign).
