## **Request for Proposal**

## Techno-Commercial Feasibility & Market Study on Plastics Pyrolysis in Asia

The Client, InfraCo Asia Business Development Pte Ltd., a company of the Private Infrastructure Development Group (PIDG), is currently exploring the potential for investment in the pyrolysis sector in Asia.

The firm will assess the technical, commercial, and regulatory viability of converting plastic waste into pyrolysis oil across selected Asian markets.

Proposals may be provided by a firm solely or in association with a partner firm that will provide part of the proposed services.

Interested firms should contact the Client's person-in-charge of this Request for Proposal to conduct a confidential conflicts check with respect to the project and to obtain more information on the Request for Proposal.

The selection of the advisor will be in accordance with PIDG's prevailing procurement policies and procedures, on <u>Key documents PIDG Ltd. - PIDG</u>. The deadline for the submission of proposals is 23:59 UTC +0. on **1 August 2025**.

For more information or for further queries, interested firms should approach Shilpa Krishnan, Senior Business Development Manager - InfraCo via email to <a href="mailto:shilpa.krishnan@pidg.org">shilpa.krishnan@pidg.org</a> with joel.ng@pidg.org and stephanie.chua@pidg.org in copy.

All requests for pre-bid clarifications must be submitted by 5:00 p.m. on **16 July 2025**, Singapore time.
